Ethnic group

Rotherham United is committed to preventing discrimination in all its fields of operation and within its stadium, providing an environment free from racial abuse, harassment, bullying and victimisation. As part of its on-going commitment towards achieving the Racial Equality Standard for professional football clubs, the club needs to effectively monitor the ethnicity of participants at all levels of activity, as employees, supporters and of community outreach and we therefore include the following question on ethnicity to enable us to carry out this process. To reflect best practice as recognised by the Commission for Racial Equality we use the same ethnic categories as used in the 2011 census.
